Notice should include the Insured's name, the Participating Organization's name and the Policy number. Notice should be sent to the Company's administrative office, at the address shown on the cover page of the Policy, or to the Company's designated representative.

PAYMENT OF CLAIM: Claims for damage and/or destruction shall be paid after acceptable proof of the damage and/or destruction is presented to the Company and the Company has determined the claim is covered. After the demand, the Insured and the Company will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by the Insured is paid by the Insured. The Company will pay the appraiser they choose. The Insured will share equally with the Company the cost for the arbitrator and the appraisal process.

The following provisions apply to Baggage/Personal Effects and Baggage Delay coverages:

Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. The Insured must present acceptable proof of loss and the value involved to the Company.

Subject to due written Proof of Loss, all accrued indemnities for Loss for which the Policy provides periodic payment will be paid, failure to pay within such period shall entitle the Insured to interest at the rate of 9 percent per annum at the expiration of each four weeks during the continuance of the period for which the Company is liable, provided that interest amounting to less than one dollar need not be paid. DISAGREEMENT OVER SETTLEMENT OF CLAIM: If there is a disagreement about the amount of the loss either the Insured or the Company can make a written demand for an appraisal. After the demand, the Insured and the Company will each select their own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. A. Natural Disaster Evacuation: In the event of a Natural Disaster Situation, On Call will, on a best-effort basis, arrange for your evacuation from a safe departure point we designate to a safe haven of our selection. We will pay for your evacuation up to and including seven (7) days from the date of the official disaster declaration issued by the relevant host country. We will assist with and pay for ground, water and/or air transportation, as may be warranted, to a safe haven. If evacuation becomes impractical due to hostile or dangerous conditions, we will maintain contact with and advise you until evacuation becomes viable or the natural disaster situation has passed. On Call shall arrange and pay up to \$100 per day up to a maximum of three (3) days for reasonable expenses related to lodging while delayed at a safe haven. On Call shall also arrange and pay for one-way economy airfare to return you to Your Home Country following a Natural Disaster Evacuation. Economy airfare and lodging costs shall not exceed a combined single limit of \$5,000 USD.

B. Definitions

"Natural Disaster Situation" means an event occurring directly out of a event of natural cause, including wildfire, earthquake, windborne dust or sand, volcanic eruption, tsunami, snow, rain or wind, that results in widespread and severe damage such that the government of the host country issues an official disaster declaration and determines the affected area to be uninhabitable. Natural Disaster does not include the direct or indirect affect of rain, wind or water associated with named storms meeting the definition of hurricane or typhoon, except in instances where:

- a. the path of the named storm deviates by a distance of greater than two-hundred (200) miles within a seventy-two (72) hour period from the path forecast by a national recognized meteorological service; or
- b. less than seventy-two (72) advance hours notice of a potential landfall for a named storm exists.

In no event, shall a Natural Disaster be deemed to apply to a marine vessel, ship or watercraft of any kind.

C. Exclusions and Limitations:

We shall not be responsible for any costs or expenses arising from:

- 1) Travel arrangements that were neither coordinated nor approved by On Call in advance.
- 2) Natural disaster evacuations when the natural disaster situation or the event directly giving rise to it precedes your arrival.
- 3) Services not otherwise shown as covered in the program description to which this amendment is attached.

Limitations: Our obligation to pay for a natural disaster evacuation will be limited to a maximum of \$100,000 per event per person. Eligible expenses shall include transportation and, if required, costs to protect your safety during assembly and transit. Should the U.S. Government intervene and provide for evacuation services, this action will supersede any paid evacuation benefit.
