Leisure Travel Insurance Plan

2017-2018

A division of the Council on International Educational Exchange (CIEE), iNext has partnered with Global Benefits Group (GBG), experts in the international health insurance market, to create an array of international student health insurance products designed to meet the emerging and diverse needs of our clients at competitive price points. At iNext, we are committed to providing cutting-edge tools and services - including our online administrative system, customized client services websites, and multi-lingual fulfillment materials. Most importantly, our highest priority is to serve our clients and their participants in a manner that exceeds expectations.

iNext GLOBAL EXPLORER Insurance Benefits

The Policy is designed to protect you from acute, unexpected, sudden and unforeseen illnesses and accidental injuries. It does not cover care for wellness medical conditions, extended treatment or pre-existing conditions AND is not a replacement for longer term medical, preventative, or maintenance needs. For NON-EMERGENCY/Non-Urgent care we recommend the use of a local doctor or walk-in clinic. Please read your policy for an understanding of the Terms and Conditions.
